PROTECT YOUR SMALL BUSINESS FROM FRAUD

Many people think small businesses are less vulnerable to scams and fraud. However, small businesses are more vulnerable than large corporations. More and more small businesses are falling victim to scams and fraud each day. The first step to combating small business fraud is to increase awareness. The Birmingham Business Resource Center has partnered with Regions Bank to present this informative event in the community. Join us to learn about new trends in small business fraud and tips to help you protect your small business.
